

GA wins Novera Energy account

Novera Energy, the renewable power company, has appointed Gavin Anderson as its new financial PR agency.

The GA team is fronted by the agency's COO Ken Cronin, director Kate Hill and Janine Brewis.

Novera Energy is an established UK-focused renewable energy company, which generates power from wind, water, waste and landfill gas renewable sources. The company listed on AIM in 2005 and has a market capitalisation of £86m.
