

GAVIN ANDERSON COMPANY

February 2008

SENIOR LEVEL APPOINTMENTS AT GAVIN ANDERSON

KEN CRONIN TO HEAD GAVIN ANDERSON, LONDON

Ken Cronin has been promoted to Chief Executive Officer of Gavin Anderson & Company's London Office. Formerly Chief Operating Officer, Ken will continue to head up Gavin Anderson's Global Energy and Environment practice. Deborah Walter, a 20 year veteran of Gavin Anderson, is appointed Chief Operating Officer, whilst Robert Speed and Kate Hill are promoted to Managing Directors.

Ken led the Gavin Anderson team during last year's Eurotunnel restructuring and continues to manage the Global Gazprom account. He spent a number of years in Investor Relations at British Energy, following finance roles at Ladbrokes and British Gas, before joining Gavin Anderson in 2003. Deborah's key accounts include advising Alliance Boots, including its private equity deal last year, and the Department for Business, Energy and Regulatory Reform.

Kate Hill, who joined Gavin Anderson from Royal Dutch Shell in 2006, and Robert Speed, a former City analyst who joined Gavin Anderson in 2004, will lead our Energy & Industrial and Consumer & Property practices respectively.

Fergus Wylie, Executive Chairman, Europe said:

"London continues to be our key office and the hub of our European operations as we see increasing cross border opportunities. Ken will drive our UK-focused business as well as ensuring that we meet the aspirations of our international clients, supported by the strengthened senior team."

Ken Cronin, CEO London, said:

"These senior appointments further strengthen our London team. I am delighted we have been able to attract and promote such quality individuals."
